Sparkling year for jewellery company

A BESPOKE jewellery company based in Cambridge is the first independent firm in the UK to be certified by the Responsible Jewellery Council (RJC).

Harriet Kelsall Jewellery Design, in Green Street, is also now the only company in the world to be certified by the RJC, while also being

licensed to use Fair-trade gold, after becoming one of the first 20 jewellers in the country to work with the ethically-sourced material.

Managing director Harriet Kelsall said: "I was a very early member of the RJC and have long supported what they have been doing."
