It's all coming up... daisies!

DAISY Chain in Histon, run by Lesley Nunn and Alison Douglas, has beaten stiff competition to be declared the Best Independent Gift Retailer of the Year (London & South East) at *Progressive Gifts and Home* magazine's Greats Awards held in London. The Greats were launched in 2003 in recognition of the huge contribution

retailers, both large and small, make to the UK gift industry.

■ **Harriet Kelsall Jewellery Design**, based in Green Street, Cambridge, has won the UK Jewellery Award for Business Initiative of the Year 2011. Harriet Kelsall received her award at a ceremony held in London, triumphing over the remaining two jewellers in the shortlist.
